Grey County  
**Cycling**  
ROUTES

**Distance:** 28km    **Experience Rating:** Easy to moderate, Leisure Ride

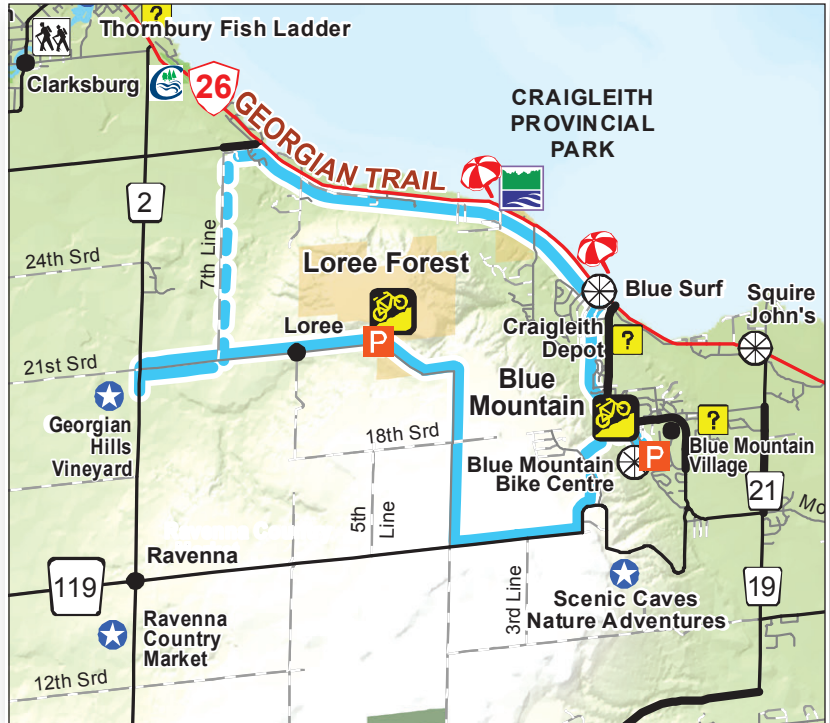

## Description:

Start this loop with a relaxing, scenic gondola ride to the top of the Escarpment at Blue Mountain and enjoy epic views of Georgian Bay and the Blue Mountain Village. This route is reminiscent of a roller coaster, cruising downhill through agricultural lands, mature apple orchards, forests and a vineyard.

\* Mountain bike rentals available at Blue Mountain Village.

## Note to Riders:

Some paved and some hard packed dirt roads and trails. Use the Blue Mountain summer gondola to go up the mountain avoiding the extreme steep grade and unsafe ride conditions on lower portion of Scenic Caves Road. Check gondola hours of operation on-line. Pedal or walk bike on the upper portion of Scenic Caves Road, 500m. Once on top of the Escarpment, there are some gentle rolling hills but route is primarily downhill. Caution crossing Grey Rd 2, high speed traffic. Double back and use 7th Line (unpaved) to get to Grey Rd 40 and the Georgian Trail. Georgian Trail hard packed limestone surface, well maintained.
